

Themed Markets and Special Events Market and Events Resource Providers

A Brief Introduction

Market Operators

Market Square Group operates a number of 'stand alone' themed markets which can integrate with festivals and town celebrations. We also run a select trader scheme as a service for organisers who are looking for specific products and styles to compliment their events.

Market and Events Resource Providers

We offer a number of services to those whose work in the events field – traders, town centre managers, organisers, service suppliers and wholesalers. Our aim is to provide a one stop forum that will provide solutions for all those with an interest in the events industry.

Website

You will find detailed information on all of the areas that we are currently working in. We encourage visitors to engage with us and welcome feedback both on the site and the services that we offer.

Based on our experience in working with a number of different groups in the events industry, we have designed a site that encourages interaction and direct solutions. Pages are dedicated to those individual groups with the ultimate goal of providing mutual benefit.
